I elect to freeze my membership with Bogo Tanning for a period no longer than 120 days, and have my monthly EFT amount due lowered to \$9. This will not terminate your membership, it will pause it, and the lowered monthly fee will accrue as in-store credit during this time. Your current Membership "PAYMENTS" must be current 6 month to qualify. (10 day request required) **Med Services are \$49.99**, we will miss you!

To unfreeze your account you will need to simply email: [service@bogatanning.com](mailto:service@bogatanning.com) and we will ensure prompt reactivation. We appreciate the opportunity to serve you-
